

## To the parents in Michigan:

Dear Children,

Welcome to iSafeKids.com. I hope you will enjoy the many things our site has to offer. Did you notice the dog's eyes when you move your mouse? See what his nose can do. I hope that you will click through the exciting story of Faux Paw the Techno Cat by following this link. [View Story Book](#). Your parents might want to see it with you.

The Internet is a wonderful tool for fun and learning. We want you to experience all of the good things that it offers, but we also want you to be safe. Not everyone on the Internet really is who they say they are, but you will be safe, if you follow Faux Paw's advice. Remember; Never to give out personal information like your name, address, phone number, or the name of your school to anyone on the Internet.

Thanks for stopping by. I hope you'll visit iSafeKids often.

Sincerely,

Dan Mulhern
